

Energy company uses 200kWh off-grid solar energy storage cabinet

Overview

Hitek Energy outdoor containerized BESS delivers high-capacity lithium energy storage with robust weather resistance, modular design, and smart control—ideal for grid or renewable integration. Founded in 2016, the company is located in Hefei, Anhui Province, and its main products include solar panels, solar inverters, photovoltaic systems, lithium batteries, gel batteries, and other solar products. Transform your energy strategy with the advanced 200kWh Solar Power Industrial Container. A 200kWh battery cabinet is an integrated commercial energy storage system capable of holding up to 200 kilowatt-hours of electricity. It offers peak shaving, energy backup, demand response, and increased solar ownership capabilities. Additionally, this energy storage system supports TANFON's Outdoor Integrated Energy Storage System a cutting-edge solution that seamlessly combines lithium iron phosphate batteries, advanced Battery Management System (BMS), Power Conversion System (PCS), Energy Management System (EMS), HVAC technology, Fire APPLICATION: Backup power: Supply power to.
